Helpful Hints For The Occupational Accident Employer

Independent Contractors

- ***Contractor:*** Means a party that enters into agreement, by written contract or otherwise, to provide services to, or on behalf of, the Policyholder.
- ***Eligible Contractors:*** A Contractor, or an employee of a Contractor, may be an Eligible Person, and **must** be reported on the monthly TAPP billing invoice under the Change Report section. A Sub-Contractor can never be an Eligible Person as this would be a third –tier.
- ***Claim Eligibility:*** In the event of a claim on a contracted employee, the following copies of documentation are required to finalize the verification of eligibility.
 1. W-9 or 1099
 2. Copy of cancelled check for the week of injury
 3. Copy of the payable ledgers with detail of dates, hours worked, and hourly rate of pay
