In absence of fraud, my answers in this enrollment form shall be deemed representations and not warranties. If any data has been misstated, the correct data will be used to determine if insurance is in force. If insurance is in force, the premium and/or benefits will be adjusted according to the facts.

I understand that "pre-existing conditions" are generally not covered under the coverage(s) applied for and I should read my Certificate for a more detailed explanation of the pre-existing exclusion.

I understand that other income that I am entitled to receive may affect my coverage and I should read my Certificate for more detailed information regarding the effect other income may have on my benefit.

I certify under penalties of perjury that the portion of the Social Security Number shown on this enrollment form is correct to the best of my knowledge and I am not subject to backup withholding.

The insurance applied for shall be in force as of the date of the payroll deduction authorization signed by me, provided that the Company approves the enrollment form without any modification as to the plan, amount or premium, and, further provided that the Company receives the first premium payment from my employer within 90 days from the date hereof. If the first premium is not received within 90 days, no insurance will become effective. If the enrollment form is approved with any such modification, the insurance shall not take effect until the certificate has been delivered to and accepted by me and furthermore shall not take effect if there has been a change in the health of any person to be insured as stated since the date of enrollment.

Any person who knowingly and with intent to injure, defraud, or deceive any insurer files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree.
